Dear Sir:

OFFICE OF PETITIONS  
DEPUTY A/C PATENTS

In accordance with 37 C.F.R. § 1.137(b), Applicants respectfully petition for revival of the above-identified patent application which became unintentionally abandoned on May 17, 2000. The present application became abandoned as a result of the Applicant's unintentional delay in responding to the Office Action of February 17, 2000. Enclosed herewith is an amendment to continue prosecution of this application.

In accordance with 37 C.F.R. § 1.17(m), a check in the amount of \$1,240 is submitted to cover the fee for this petition.

Applicants became aware that the application had become abandoned on or about September 14, 2000 upon seeing a Notice of Abandonment dated September 14, 2000. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

It is believed that extension of time is required. If it should be determined that for any reason either an insufficient fee or an excessive has been paid, please charge any insufficiency or
